Women's Support Services proudly presents

# TRADE SECRETS®

a beautiful gathering for a great cause

Heading into Trade Secrets 2022, Women's Support Services faced many unknowns. After a two-year hiatus, we had a great deal with which to contend - a brand new venue, COVID-19 protocols, and a shifting vendor landscape. In the midst of Trade Secrets planning, we navigated staffing changes and an office move, just to make things interesting!

The one known factor? **Our amazing community of supporters.** Throughout the height of the pandemic, Women's Support Services received extraordinary support and encouragement from our donors, community members, and partners. Many of our Trade Secrets vendors held fundraisers on our behalf, sustaining their support for the agency even while facing many unknowns themselves. This support was in evidence once again as more than 250 volunteers donated their time and energy on a beautiful, sunny day at the grounds of Lime Rock Park in Lakeville.

With more than 2300 patrons in attendance, Women's Support Services experienced our best Trade Secrets ever. Our deepest appreciation goes to our Honorary Chair, Bunny Williams and our garden hosts this year - Bunny Williams and John Rosselli, Christopher Spitzmiller, Michael Trapp, Hollister House Garden, Innisfree Garden, and Wethersfield Estate and Garden. Brunch attendees were in for a treat on Sunday as we welcomed authors Carolyne Roehm, Matthew Patrick Smyth, Frances Palmer, and James Golden for a book signing. We are also thankful for the support of Lime Rock Park, the Cornwall Volunteer Fire Department, the Falls Village Fire Department, the Lakeville Hose Company, and The White Hart.

**THANK YOU** - to our underwriters, ticket buyers, volunteers, vendors, and supporters. Your support makes our work possible and means the world to us.

# TRADE SECRETS IN THE COMMUNITY

Trade Secrets is the primary fundraiser for Women's Support Services (WSS), a non-profit domestic violence agency serving Northwest Connecticut and the surrounding communities in New York and Massachusetts.

**We experienced our best Trade Secrets to date! Thanks to YOU, this success translates into increased client support, program expansion, and so much more:**

\*WSS delivered 194 educational programs to schools throughout the region - we already have 255 sessions scheduled for the coming year!

\*WSS responded to more hotline calls and crisis requests than ever before - nearly 1500 calls were answered last year.

\*WSS has significantly expanded our options to shelter families in crisis and assist with interim and long-term housing - including the shelter of beloved family pets.

\*WSS has relocated to new offices in Lakeville, CT to meet the increased demand for our services and our growing team!

All photos courtesy of Anne Day.

As anyone knows, moving is not easy, but we were all so thrilled with our new home at Lime Rock Park. There are a few things to improve upon and we have all begun working on them. I am already getting excited about Trade Secrets 2023!
